

↑ Uno steel door | Rubik 22"× 48" doorglass and 8"× 48" sidelites ■ Gentek, Storm 570

Rubik NEW

Stained Glass — Classic style

Rubik blends classic and modern elements with its bold diamond glass lines and beveled squares, converging to form a dynamic focal point. The textured interplay creates captivating light patterns, adding depth and sophistication to any entryway.

Rubik — Stained Glass — Classic style

Materials and composition

Triple glazed Insulated unit assembled with two aluminum spacers and stained glass in between. Glazing with energy-efficient glass (low emissivity) and argon gas. This composition reduces heat transfer and improves energy efficiency.

Pairing

Looks great when paired with Screen or clear glass sidelites and transoms.

Custom doorglass

This model is available in custom sizes, adapted to your specific needs. Change the coming color to patina (black), flat patina, zinc (silver), or brass (gold color). Change one or more textured glass panes to the texture of your choice.

ENERGY STAR®

This doorglass can be part of an ENERGY STAR-approved entry door system, depending on the options selected. Check with your retailer to see if your selection of Novatech products (door, window frame and doorglass) is ENERGY STAR certified.
