

KD 650 PATIO DOOR

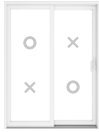

All PVC, Knocked-Down

The 650 patio door combines the durability of PVC with the strength of wood inserts in the jambs. Designed with ease of installation in mind, this door boasts a multitude of features that make it perfectly adaptable to any type of construction. With its standard aluminium sill cover and jamb pocket covers, the 650 offers an exceptional finish, while delivering great performance in a contemporary style.
